

Dear Parents

June 25, 2019

The beginning is the most important part of the work and the best time for new beginning is NOW.

It is with great pleasure that I address you through this note, in the capacity of Principal of MRA DAV Public School, Solan.

At the onset, I assure you that the school remains committed to make a difference in the lives of our children, who are the focal point for all of us.

The end of wisdom is freedom.

The end of culture is perfection.

The end of knowledge is love.

The end of education is character.

Let us work hand in hand to provide quality and meaningful education to our children which aims at their holistic development and transforms them into tomorrow's youth of strong character.

DAV Organisation is a non-profitable organisation in the field of education running and managing over 900 educational institutions all over India. DAV institutions are committed to provide quality education for which it employs highly qualified and skilled workforce with continuous academic training. It has a constant endeavour to provide state-of-art infrastructure. So in the pursuit of providing best opportunities to our students, I seek your partnership in terms of your support and constructive feedback. You are welcome to meet me, during school hours, in person to discuss your suggestions/ concerns.

I would like to inform you that late fee charges have been waived off for Quarter 2 in this session. Subsequently, written intimation will be provided to you on the subject matter after Local Managing Committee meeting.
